ABOUT

ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. Keeping the motto in mind SIES Graduate School of Technology's ISTE student chapter conducts two flagship events, InternXpo and Matrix.

InternXpo

InternXpo is an Internship fair organised by ISTE. It provides an opportunity to students to work as an intern in various companies, alumni start-ups, departmental projects, etc. Any kind of start-ups and companies can enrol for providing internships, whether it be technical or non-technical domain. The internship can be paid or unpaid. Students from any year can apply to this progam. The companies can also mention if they want students from specific year only.
